

## *President's Corner*

It's hard to believe we are in early November looking at sunny days with temperatures in the 70s and exceptionally beautiful Fall colors. With the holiday season beginning in just a few weeks, it's appropriate to say... **Happy Thanksgiving** and an early **Merry Christmas** to **ALL** as this is our last *Highlights* of 2022.

We have had a full and very successful year! Our three quarterly meetings have been excellent and well-attended, especially our September Patrick Henry Leadership Awards Gala, once again held at a historic home venue - Dundee this year. We will begin planning for next year in January, bigger and better! Stay tuned.

Our Annual Meeting & Dinner is set for Tuesday, **December 6<sup>th</sup> at the Henry Clay Inn**. **Gordon Lohr** will give a virtual tour of the Pine Slash restoration. Get your tickets early as seating will go quickly. The easiest way to pre-register and purchase tickets is through our webpage. See the official announcement on page two in this *Highlights*, on our website and Facebook page.

It's time to **renew for 2023!** Our Membership-VP has updated the roster and noted those who have pre-paid 2023 dues as well as Life Members. If you receive a form, our records show that you are due to pay for 2023. Several have been overdue for some time; please renew to stay on our mailing list! Please contact Pam Hawkins at [ph52@embarqmail.com](mailto:ph52@embarqmail.com) if you have any questions.

Please, everyone note and pass on that we have changed the regular Historic Courthouse & Old Jail tour dates to the **2<sup>nd</sup> Thursday** of every month. In the Jail, we are currently displaying household and equestrian items from Fairfield and Powhite that were recently donated by Frances Gaines Alexander Bales & Martha Venable Alexander Duval. We also have a display of artifacts recovered from various sites in Eastern Hanover by Charlie Schmetzer and loaned for the exhibit.

I have announced to the Executive Committee (EC) that I will be retiring as President of the Society effective December 31, 2022, a year into my two-year term. **I am not leaving the Society altogether** but just realize I have run my course as President. No critical or health reasons, just "old age" is sometimes out-running me, and I have a bum knee to take care of in February. I have thoroughly enjoyed my years serving on our EC and especially as President. Working with great people has been a pleasure, and **WE** have gotten it done, kept the Society "in good stead" and "well-heeled."

Our current EC is talented and capable to keep us moving forward without missing a beat. I will stay in the background doing what I can as always, just not in a leadership capacity. And I will be accessible and stand ready to help. Please feel free to let me know how I can help you with any periphery things as I do now. I plan on remaining a person of contact on the website unless someone has a burning desire to list their contact information. And lastly, a big **THANK YOU** to all fellow EC members, past and present, members of the Society and friends. Hope to see many of you at our December 6<sup>th</sup> Annual Meeting.
